

Product Change Notification

Overview: Please be advised that the following is notice of change to Fire Research TankVision pressure sensors.

Products Affected: Tank pressure sensors used for the TankVision indicator. This includes the following FRC part numbers:
XE-WLPT1-Sxx (0 – 5 psi), XE-WLPT10-Sxx (0 – 15 psi)

Change Description: The above pressure sensors are being discontinued. New PT3 series pressure sensors will be direct replacements in all orders starting on or about 01NOV10

Reason For Change: Part of the ongoing process to improve FRC products.

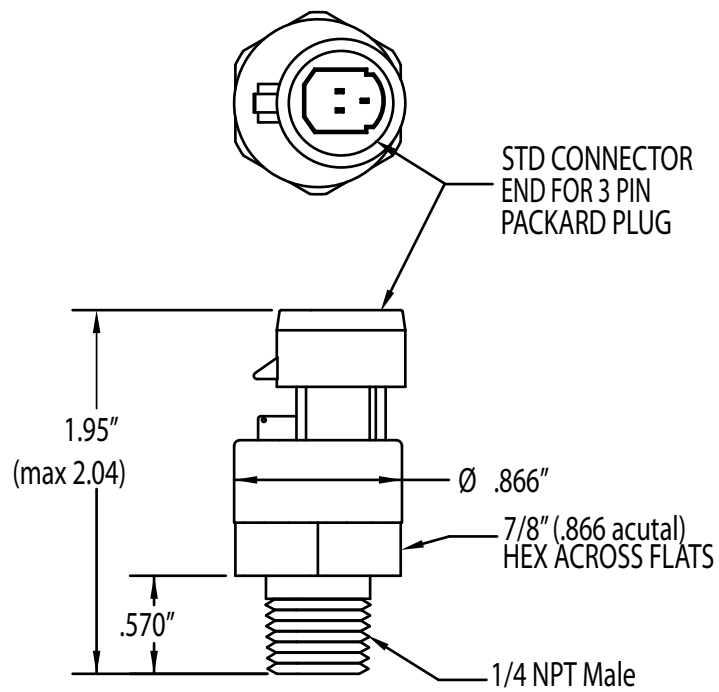

Replacement Product: New pressure sensors will be direct replacements. They meet or exceed all electrical and mechanical requirements, use the same 3-Pin Packard connector, and mount in the same size 1/4 inch NPT port.

Important Note: The new PT3 series sensors are slightly smaller than the PT1 series (smaller by 1 inch in height and 0.75 inch in width). Refer to the referenced drawing for complete dimensions of the new sensors.

The following are FRC part numbers for the new sensors:
XE-WLPT3-S0A (0 – 5 psi), XE-WLPT30-S0A (0 – 15 psi)

References: The following drawing is available for the new pressure sensors:
DWG. NO. XE-XXWLPT3DWG-R0A dated 09NOV10

Response: No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.

This drawing is valid for pressure sensors
with the following FRC part numbers:
XE-WLPT3-Sxx, XE-WLPT30-Sxx,

Fire Research Corp.
