

Product Change Notification

Overview: Please be advised that the following is notice of change to the Fire Research Spectra 900 Surface Mount LED light.

Products Affected: All SPA900-Q65 models.

Change Description: Effective immediately, the above Spectra 900 models are being discontinued and replaced with the models SPA900-Q70.

Reason for Change: LEDs that are more efficient and have a higher lumen output are being installed. Light output has been increased from 5,000 to 7,000 lumens.

Replacement Product: The -Q70 models are a direct replacement for the -Q65 models. No form, fit, or function parameters have changed.

Orders received for the part numbers SPA900-Q65 will be changed to reflect the new -Q70 models.

References: No references are applicable.

Response: No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.
