

Product Change Notification

Overview: Please be advised that the following is notice of change to the Fire Research SNB100-A00 InView 360™ video product.

Products Affected: The FRC inView 360™ (SEE) model SNB100-A00.

Change Description: The above model is being discontinued effective July 12, 2018.

Reason for Change: Part of the ongoing process to improve FRC products. The model SNB100-A00 is being replaced by the new SNB100-B00 model that will provide more features and a new wire harness connection to the ECU (electronic control unit). Please note, the wire harness connections to the apparatus side has not changed and it is 100% identical to the SNB100-A00.

Replacement Product: The new SNB100-B00 model was available as of July 1, 2018.

The new SNB100-B00 model provides all the same features as the SNB100-A00 with the addition of updated hardware and harnessing. The new ECU allows the option to connect additional equipment. The additional equipment will allow each of the (4) four inView 360™ cameras to record independently when installed with a Digital Video Recorder (DVR).

FRC will continue to provide service and parts for the SNB100-A00 model during its specified warranty period.

References: No references are applicable.

Response: No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.
