

Product Change Notification

Overview: Please be aware that the following notice of change is for the Fire Research SBA1XX series Seat Monitor and Data Acquisition System.

Products Affected: SBA1XX series models: SBA100-A00, SBA110-A00, SBA120-A00 and SBA130-A00.

Change Description: Effective 11/11/2020, the SBA1XX series models listed above for the Seat Monitor and Data Acquisition System will be discontinued.

Reason for Change: FRC is discontinuing the SBA1XX series due to the unavailability of the components required to manufacture the products.

Replacement Product: FRC SBA2XX, SBA3XX and SBA441-A00 models are available for similar seat monitor display and vehicle data recorder applications.

FRC will continue to provide warranty service for the SBA1XX series Seat Monitor and Data Acquisition System for the duration of the warranty period. To repair systems out of the warranty period, the Service Department will support based on direct parts availability and/or supplying an equivalent product.

References: No references are applicable.

Response: No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.
