Change Description:

Effective immediately, the Kwik-Raze telescopic pole series and the KR-SB-600 fixed top and side mount models will be discontinued.

Reason for Change

FRC is discontinuing these models due to the unavailability of the extruded components required to manufacture the products.

Replacement Product:

FRC Twist-Lock series of telescopic poles are available for similar installation and applications. Additionally, the models 570 and 580 are available for similar fixed top and side mount applications.
