

# Product Change Notice

## Overview:

ALL Seat Indicators and VDRs are EOL due to components that are no longer available for manufacturing.

## Products Affected:

ALL Seat Indicators and VDRs

## Change Description:

Effective immediately, ALL FRC Seat Indicators and VDRs models will be discontinued.

## Reason for Change

FRC is discontinuing these models due to the unavailability of electronic components required to manufacture the products.

## Replacement Product:

FRC will continue to provide warranty service for the discontinued products for the duration of the warranty period. To repair product out of the warranty period, FRC Service Department will provide support based on the availability of parts and/or supplying an equivalent product.

FRC's SafeLink Seat Indicator with 7" LCD will be made available. We will provide a kit part number, pricing, and product sheet in the next few weeks.

## Reference:

No references are applicable.

## Response:

No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.631.724.8888.
